

Look closer

There's a lot more to find at Avoncroft than you might think!
Explore the site with our "look closer" guide and see what you discover.

Look up

It's amazing how often we never stop to look up at the roof of the building we're in. Some of our buildings have some fantastic roofs.

Have a look at the roof in...

the cockpit

the spire

the barn

Circle which one is your favourite. Why?

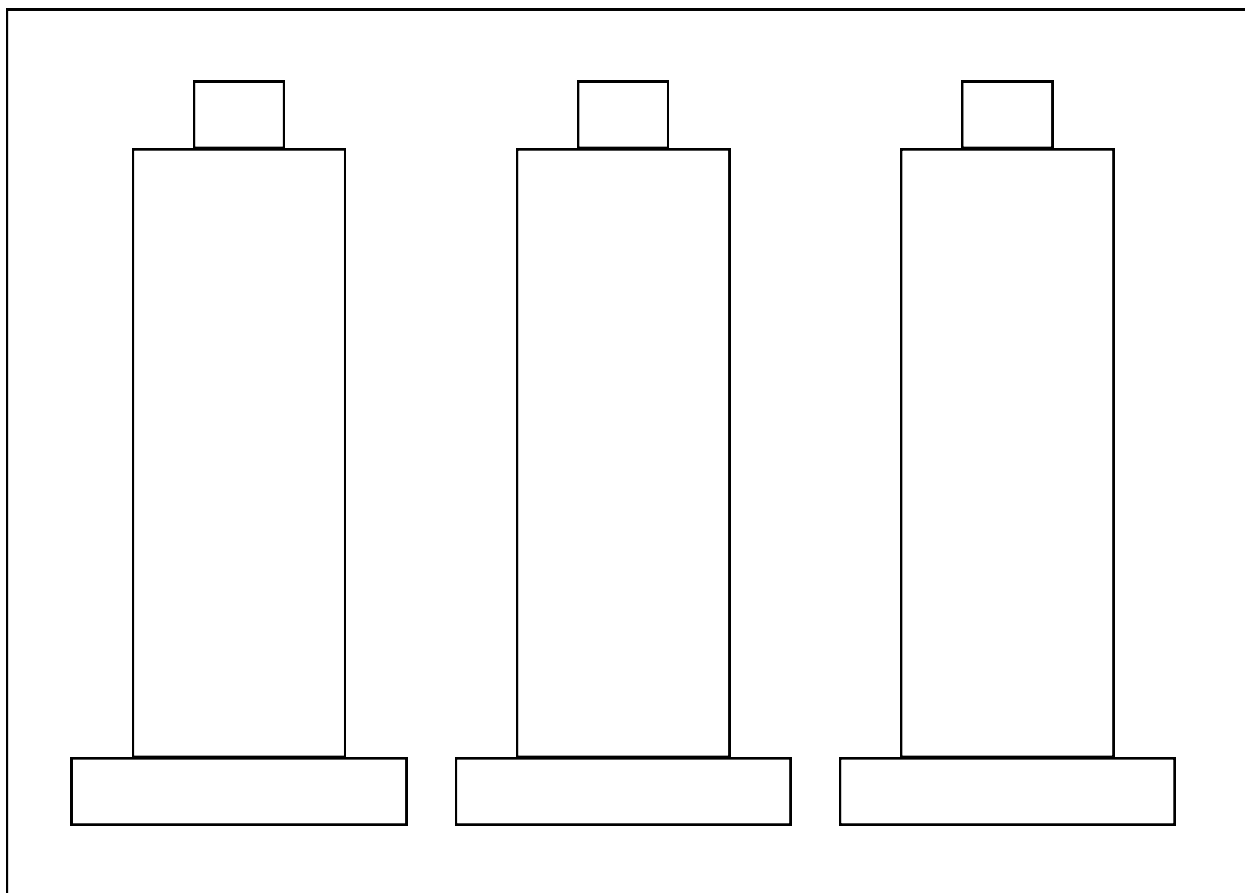

Look for

Can you spot these little details on the buildings around site?
Write down where you found them.

Look closer

Go have a look at our Victorian decorative chimneys. How many different patterns can you see? Draw them onto the chimneys below.

Up on the top of the windmill, a weathervane tells the farmer which way the wind is blowing. Which animals can you see up there?

Go and see the granary. The grain was stored in the room upstairs, supported by the pillars.

How many pillars can you see? _____

Why do you think it was built like that?
